

International Conference on Low Carbon Development – Responding Post-Paris Agreement on Climate Change: Energy Transmission and Innovation

July 23-26, 2017
Shanghai, China

February 20th, 2017

Invitation to Participate in International Conference on Low Carbon Development - **Final Call**

Dear Madame/Sir,

On behalf of the Conference, I am pleased to invite you to attend the International Conference on Low Carbon Development—Responding Post-Paris Agreement on Climate Change: Energy Transmission and Innovation to be held from July 23 to 26, 2017 at Shanghai Jiao Tong University, Shanghai, People’s Republic of China. The Conference will be organized by Shanghai Jiao Tong University, sponsored by the Chinese Academy of Engineering and the International Institute of Environmental Studies, and supported by GlobalTech Alliance.

We would be delighted to have you present at this conference to exchange and share your experiences, new ideas, and research results on the following topics:

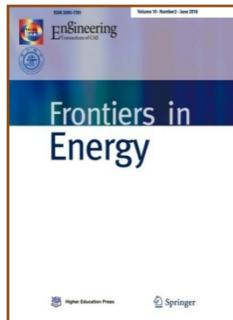

- ◆ Comprehensive and integrative review on climate change mitigation
- ◆ NDCs targets-oriented mitigation scenarios
- ◆ Innovative climate change mitigation policies
- ◆ Metrics and indicators for low-carbon development
- ◆ Emerging technologies for climate change mitigation
- ◆ Supply-side reform for low-carbon development
- ◆ Consumer behaviors and lifestyles

The deadline for abstract of your topic submission is **May 1st, 2017**. Please send your submission to Tian Xu at tianxu@sjtu.edu.cn, and contact us for any inquiries.

**International Conference on Low
Carbon Development – Responding
Post-Paris Agreement on Climate
Change: Energy Transmission and
Innovation**

July 23-26, 2017
Shanghai, China

In addition, a site visit to Lingang Industrial Park will be arranged so that all participants can better understand how the local industrial park is engaged in low carbon development.

This conference will be held in conjunction with **Frontiers in Energy**, an international quarterly peer-reviewed academic journal on energy, sponsored by Chinese Academy of Engineering and published by Springer. You may submit your paper for possible publication in the special issue of the journal after the conference.

The deadline for full paper submission to the journal is **September 30th, 2017**. For further details, please visit the web site of the special issue: <http://www.springer.com/engineering/energy+technology/journal/11708>

We look forward to your confirmed presence at the conference in Shanghai in July!

Sincerely yours,

Shilie, Weng
Chairman of the Conference
Academician of Chinese Academy of Engineering
Shanghai Jiao Tong University, China
